ATL V-GROOVE PANEL AND SOFFIT

NOW IN PRODUCTION:

ATL V Groove 6" & 4" Panels & Soffit
System Atlant Metal Fabrication proudly introduces the ATL V Groove 6" and 4" — a modern, clean-lined metal cladding system engineered for architectural performance and visual impact. Designed for use in wall and soffit applications, this system offers:

- Crisp V-groove shadow lines for a refined aesthetic
- Sizes: 6-inch and 4-inch widths for design flexibility
- Available in custom lengths, gauges, and finishes
- Built for durability, ease of installation, and low maintenance
Perfect for commercial, institutional, and high-end residential projects, the ATL V Groove Series blends modern form with proven performance.
